What is the best heavy duty stapler? The Optima Desk and Optima Grip staplers by Swingline are comfortable and easy to use, and designed to be jam-free. In fact, the Optima line of staplers is guaranteed not to jam, when used according to the manufacturer's directions. Unfortunately, using the wrong size or style of staples, overfilling the machine and stapling through too-thick materials can still cause an Optima to jam. You can quickly remove jammed staples from Swingline's Optima Desk or Optima Grip staplers and get back to your task. Hold the base down as you lift the top of the Optima stapler to access the staple tray. Remove all the staples from the tray so that you have access to the jammed staple. Turn the stapler upside down and shake it to clear out staples you can't reach with your fingers. Grip the jammed staple with the needle-nose pliers and, while holding the stapler securely, pull it up. Twist the staple until it breaks into two pieces if it will not pull straight out. Pull out the two individual pieces. Contact Swingline Customer Support for a replacement at 800-820-6220 if you are unable to quickly clear the jam. The Optima series is only guaranteed not to jam when used according to the manufacturers instructions, which includes only using Optima premium jam-free staples. Tips The Optima stapler line by Swingline is designed to be jam-free when Optima premium jam-free staples are used. Using another size, style or brand may cause frequent jamming and void the guarantee. Optima stapler uses up to 50% less effort than traditional staplers at every sheet count. Push the button on the back, the carriage pops out, fill the carriage, and load it back in. You're all set. That's the Optima 40 by Swingline. For more demos, reviews, and how-tos, check out MyBinding.com.ResourcesSwingline is definitely the king of the stapler world and they're always coming up with innovative products. A case in point is the Optima 40, a stapler that's easy to use and has an unbeatable stapling capacity. It's definitely one of the best desk staplers around. But don't take our word for it — continue reading so you can discover what makes this device worth a look.The Optima 40 has an excellent stapling capacity. It has the ability to staple up to 40 sheets of paper which is about 20 sheets more than other desk staplers. You'll be able to fasten both short and long documents which makes this device really helpful.One thing that really makes the Optima 40 stand out is that it requires less effort to use than other devices in its class. In fact, this device is 50% easier to use than its counterparts and it even has soft materials on it to make stapling a comfortable experience. The ergonomic design of this device makes it ideal for anyone that wants stapling to be easy. (Which is just about all of us.)The Optima 40 is easy to load because it's equipped with a QuickLoad feature. This feature allows you to insert the staple strip in a matter of seconds. The fasteners you need to use with this device are Swingline's Optima Premium staples. You can expect jam-free performance when you use these fasteners which can help you save time and fasten your documents without incident.This is an incredibly durable stapler because it contains metal parts. You'll be able to use it for years even if you use it everyday. It doesn't get much better than that.The Optima 40 is one of the most modern-looking staplers available. It's got a great design and its silver and orange color scheme make it very eye-catching.You can expect the Optima 40 to give you great results all the time because it comes with a 100% performance guarantee. It's also backed by a limited lifetime warranty so you can have it fixed or replaced if it gives you any problems.Final rating: 9. If you've been looking for a good desktop stapler, the Swingline Optima 40 should definitely be at the top of your shopping list. This is simply an excellent device and one that you're going to enjoy using. The stapling capacity will enable you to fasten long documents in addition to short ones and it's great that this device is easy to use. The ergonomic design makes this device really user-friendly as does the jam-free operation. This device is easy to load and it's also really durable so you can use it a lot without worrying that it will get worn out. Also, this device comes with a great warranty and the performance guarantee. All in all, the Optima 40 is the stapler you need whether you're looking for a device for home or office use. Take a look at it today.
